

## ACTA ORTHOPAEDICA et TRAUMATOLOGICA TURCICA

### CONTENTS OF ISSUES OF VOLUME 45 (2011)

Page	Title	Authors	Type
<b>Number 1</b>			
1-5	Preoperative hematological assessment of pediatric patients with cerebral palsy	Ömeroğlu et al.	Original Article
6-13	Fixation of femoral neck fractures with three screws: results and complications	Seyfettinoğlu et al.	Original Article
14-22	Effect of elastic bandaging and prosthesis on the decrease in stump volume	Alsancak et al.	Original Article
23-33	Comparison of slow and accelerated rehabilitation protocol after arthroscopic rotator cuff repair: pain and functional activity	Düzgün et al.	Original Article
34-40	Comparison between operative and nonoperative treatment methods in the management of comminuted fractures of the clavicle	Mirzatolooei	Original Article
41-46	Clinical and isokinetic comparison between tenotomy and tenodesis in biceps pathologies	Şentürk et al.	Original Article
47-52	Postoperative evaluation of quality of life in lumbar spinal stenosis patients following instrumented posterior decompression	Aykaç et al.	Original Article
53-57	Supercharged dorsolateral island flap: a case report and review of the literature	Tan and Kılıç	Case Report
58-65	Ribbing disease: a case report and literature review	Öztürkmen and Karamehmetoğlu	Case Report
66-69	Osteoid osteoma of the cuboid bone: a rare cause of foot pain	Gürkan et al.	Case Report
<b>Number 2</b>			
71-78	Replication of the rotational center of the humeral head with second-generation stemmed prostheses	Kılıç et al.	Original Article
79-84	The relationship of muscle strength and pain in subacromial impingement syndrome	Çelik et al.	Original Article
85-93	A new technique in the treatment of distal radius fractures: the Micronail®	Geerts et al.	Original Article
94-99	The relation between the arthroscopic findings and functional outcomes in patients with septic arthritis of the knee joint, treated with arthroscopic debridement and irrigation	Yanmış et al.	Original Article
100-108	Lower extremity soft tissue reconstruction with free flap based on subscapular artery	Karşıdağ et al.	Original Article
109-114	Biomechanical assessment of brachioradialis pronatorplasty	Bekler et al.	Exp. Study
115-119	Is plating of mid-shaft clavicular fractures possible with a conventional straight 3.5 millimeter locking compression plate?	Grechenig et al.	Exp. Study
120-123	Bifocal pyomyositis in a 3-year-old child with eczema: a case report	Mitsionis et al.	Case Report
124-129	Normophosphatemic type tumoral calcinosis associated with chronic recurrent multifocal osteomyelitis: a case report	Yüksel et al.	Case Report
130-134	Extraskeletal juxtaarticular chondroma of the knee	Singh et al.	Case Report

---

**Number 3**

---

135-143	Prevalence of bone and soft tissue tumors	Yüçetürk et al.	Original Article
144-148	Squamous cell carcinoma arising from chronic osteomyelitis	Alami et al.	Original Article
149-155	Long-term results of surgical treatment of pigmented villonodular synovitis of the knee	Akıncı et al.	Original Article
156-161	Anatomical frame plate osteosynthesis in Ada-Miller Type 2 or 4 scapula fractures	Esenkaya and Ünal	Original Article
162-167	The effectiveness of manual therapy in supraspinatus tendinopathy	Şenbursa et al.	Original Article
168-174	Ligament reconstruction using the Fulkerson-Watson method to treat chronic isolated distal radioulnar joint instability: short-term results	Pürisa et al.	Original Article
175-184	The outcome of direct-flow neurovascular island flaps in pulp defects	Kayalar et al.	Original Article
185-189	The advantages of computer assistance in total knee arthroplasty	Bar et al.	Original Article
190-194	The comparison of the effects of intraoperative bleeding control and postoperative drain clamping methods on the postoperative blood loss and the need for transfusion following total knee arthroplasty	Aksoy et al.	Original Article
195-199	An unusual presentation of Hoffa's disease in an elderly patient with no trauma history: a case report	Park et al.	Case Report
200-202	Monoarticular pseudogout of the hip presenting as septic arthritis: a case report	Mukhopadhyay et al.	Case Report
203-207	Primary xanthofibroma in the calcaneus: a case report	Kapukaya et al.	Case Report

---

**Number 4**

---

209-214	Incidence of pars defects in adolescent idiopathic scoliosis: an MRI study	Mukhopadhyay et al.	Original Article
215-220	Prevalence of untreated hip dislocation in Turkish children aged 6 months to 14 years	Songür et al.	Original Article
221-224	Suction drainage influence on knee effusion following partial meniscectomy with partial fat pad or synovium resection	Akan et al.	Original Article
225-232	Spinal anesthesia and combined sciatic nerve/lumbar plexus block techniques in lower extremity orthopedic surgery	Adalı et al.	Original Article
233-239	The results of reconstruction of the ACL using the cross-pin femoral system and four-strand hamstring tendon autografts	Tirmık et al.	Original Article
240-247	Comparison of functional outcomes of two anterior cruciate ligament reconstruction methods with hamstring tendon graft	Yosmaoğlu et al.	Original Article
248-253	Prospective evaluation of the functional and anatomical results of arthroscopic repair in small and medium-sized full-thickness tears of the supraspinatus tendon	Akpınar et al.	Original Article
254-260	Negative pressure wound therapy in patients with diabetic foot	Ulusal et al.	Original Article
261-265	A new index for the assessment of distal radius fractures involving the ulnar styloid	Orhun et al.	Original Article
266-269	The biomechanical assessment of fixation methods in periprosthetic femur fractures	Gülşen et al.	Exp. Study
270-275	Simvastatin improves spinal fusion in rats	Bostan et al.	Exp. Study
276-279	Isolated focal pyomyositis of teres minor: an unusual presentation of tuberculosis	Sen et al.	Case Report
280-283	Irreducible dislocation of the knee joint: two-stage treatment	Çınar et al.	Case Report
284-287	Pulmonary thromboembolism after surgical treatment of ulnar pseudoarthrosis: a case report	Basat et al.	Case Report
288-290	Response to: Evaluation of the medial longitudinal arch: a comparison between the dynamic plantar pressure measurement system and radiographic analysis	Atıcı ve ark.	Letter to the Editor
290	Authors' reply	Yalçın ve ark.	Letter to the Editor

## Number 5

291-296	Treatment of Neer Type 2 fractures of the distal clavicle with coracoclavicular screw	Esenyel et al.	Original Article
297-303	Fixed-angle volar plates in corrective osteotomies of malunions of dorsally angulated distal radius fractures	Kılıç et al.	Original Article
304-311	The results of reverse-flow island flaps in pulp reconstruction	Kayalar et al.	Original Article
312-315	Anger scale and anger types of patients with fifth metacarpal neck fracture	Kural et al.	Original Article
316-325	Osteoporotic hip fracture costs in the elderly Turkish population	Hepgüler et al.	Original Article
326-334	Comparison of early results of vascularized and non-vascularized fibular grafting in the treatment of osteonecrosis of the femoral head	Tetik et al.	Original Article
335-341	The effects of additional kinesio taping over exercise in the treatment of patellofemoral pain syndrome	Akbaş et al.	Original Article
342-347	Graft retaining debridement in patients with septic arthritis after anterior cruciate ligament reconstruction	Demirağ et al.	Original Article
348-352	Incidence of meniscal and osteochondral lesions in patients undergoing delayed anterior cruciate ligament reconstruction	Demirağ et al.	Original Article
353-358	Validation of the Turkish version of the visual analog scale spine score in patients with spinal fractures	Yaray et al.	Original Article
359-364	Comparison of autogenous bone graft donor site haemostatic agents used in spinal surgery	Çopuroğlu et al.	Original Article
365-369	The effects of freeze drying and solvent dehydration on the bending strength and calcium content of cortical bone	Emes et al.	Exp. Study
370-375	Anatomical similarity between tendons and Type 3 intertendinous connections: suitability as local donor tissue	Gövsä et al.	Basic Study
376-378	Posterior dislocation of the sternoclavicular joint in a young rugby player	Chaudhry et al.	Case Report
379-381	Unusual coalition of the carpal bones with simian crease: a case report	Suresh	Case Report
382-386	Irreducible open posterolateral knee dislocation due to medial meniscus interposition	Durakbaşı et al.	Case Report

## Number 6

387-392	Long-term functional results after radial nerve repair	Gürbüz et al.	Original Article
393-398	The effect of excisional arthroplasty with palmaris longus tendon on carpal height ratio in Stage 3 Kienböck's disease	Küçük et al.	Original Article
399-405	Comparative evaluation of radiographic and functional outcomes in the surgical treatment of scaphoid non-unions	Kılıç et al.	Original Article
406-411	Deformity correction by Ilizarov distraction osteogenesis after distal radius physeal arrest	Gündeş et al.	Original Article
412-420	Shoulder arthrodesis with plate fixation	Esenyel et al.	Original Article
421-424	Normal range of motion of hip and ankle in Indian population	Kumar et al.	Original Article
425-430	Patelloplasty with patellar decompression to relieve anterior knee pain in total knee arthroplasty	Ertürk et al.	Original Article
431-436	Early results of distal metatarsal osteotomy with K-wire fixation in the treatment of tailor's bunions	Akman et al.	Original Article
437-445	An effective treatment for hip instabilities: pelvic support osteotomy and femoral lengthening	Gürsu et al.	Original Article
446-452	Effects of vinblastine on microvascular anastomosis healing in diabetic rats	Karşıdağ et al.	Exp. Study
453-457	Biomechanical assessment of suture techniques used for tendon repair	Yalçın et al.	Exp. Study
458-462	Ray amputation for the treatment of macrodactyly in the foot: report of three cases	Bulut et al.	Case Report
463-465	Subcoracoid dislocation of the acromioclavicular joint	Canbora et al.	Case Report
466-469	Proximal realignment surgery for unilateral chronic patella dislocation in Morquio syndrome: a case report	Baz et al.	Case Report
470	<i>Erratum to:</i> Isolated focal pyomyositis of teres minor: an unusual presentation of tuberculosis	Sen et al.	Erratum
471	<i>Erratum to:</i> The effects of additional kinesio taping over exercise in the treatment of patellofemoral pain syndrome	Akbaş et al.	Erratum
472	<i>Erratum to:</i> Osteoporotic hip fracture costs in the elderly Turkish population	Hepgüler et al.	Erratum
