

From the Editor

The January 2017 issue of the Journal of Theory and Practice in Education (JTPE) has been published. The aim of JTPE is to provide our readers with distinctive, original, high-quality scientific publications. It is our objective to try and complete the editorial and referee processes of the journal as swiftly as possible. We would like to apologise to any researchers and writers who suffered from delays caused by the previous editorial team, which may have prevented articles being published on time and left authors with inadequate information regarding the publication process. JTPE henceforth intends to improve its communications with authors. This issue is published with this purpose in mind and includes 8 articles in the field of education.
