Journal of Language Education and Research

JOURNAL OF LANGUAGE EDUCATION AND RESEARCH

Journal of Language Education and Research (JLERE) aims to contribute to academic development of teachers as well as academics through publishing unique and scientific manuscripts related to all levels, from pre-school to tertiary education, in the fields of teaching and learning mother and foreign languages, general and applied linguistics as well as language research. In line with this aim, any unique, theoretical, conceptual, or methodological scientific manuscript written in English or Turkish on any issue related to language education and language research can be submitted to the journal for possible consideration for publication. The manuscripts to be submitted for the journal should not have been published before or submitted to any other publisher for consideration.

Journal of Language Education and Research is indexed/listed by ULAKBIM TR Index, DOAJ, MLA International Bibliography, Linguistics Abstracts Online, CEEOL (Central and Eastern European Online Library), SIS, SOBIAD, ResearchBib, The Linguist List, and Directory of Research Journal Indexing, Google Scholar, Index of Turkish Education, and PBN (Polska Bibliografia Naukowa).

AUTHOR GUIDELINES

Authors are kindly asked to read the [AUTHOR GUIDELINES](#) and then use the suitable to format their manuscripts. For main articles, authors are kindly asked to use [ARTICLE TEMPLATE](#). For Book/Article Reviews, you may use the TEMPLATES ([Book Review Template](#) and [Article Review Template](#)). Authors should delete any kind of information that will reveal their identities when they first submit their manuscripts for peer review. Moreover, they should fill in the author and abstract information form on the journal website. The manuscripts submitted to the journal are first subject to initial screening. They are evaluated in terms of the journal publication policy, conformity to author guidelines and formatting issues within two weeks. The manuscripts that fail to follow the guidelines are immediately returned to the author(s). Manuscripts should be submitted online. However, should authors have any problems, they are kindly asked to get in touch with the Editor, whose contact details are provided on the [Contact](#) page.
