EDITORIAL

The interest in our journal, and therefore both the number and quality of our articles, is increasing day by day. Recently, Journal of Medicine and Palliative Care (JOMPAC) entered strong indexes and is now indexed in international field indexes (ie 1b in associate professorship). In this issue, we have received 7 original studies from different fields of medicine, which I believe will be of interest to you and will shed light on future studies, and an interesting case report that I believe will guide our colleagues. As we close 2021 with this last issue of the year, I would like to express my gratitude to our esteemed professors who took part in the editorial board and/or contributed as a referee for our journal's efforts to bring it to a better point, to our valuable colleagues who contributed as authors, and to everyone who contributed to the Journal.

Best Regards

EDİTÖRDEN

Dergimize ilgi ve dolayısıyla da makalelerimizin hem sayısı hem de kalitesi her geçen gün artmaktadır. Yakın zamanda Journal of Medicine and Palliative Care (JOMPAC) güçlü indekslere girdi ve artık uluslararası alan indekslerinde (yani doçentlikte 1b) indekslenmektedir. Bu sayıda ilginizi çekeceğini düşündüğümüz ve bundan sonraki çalışmalara ışık tutacağına inandığımız tıbbın farklı alanlarından 7 orijinal çalışma ve meslektaşlarımıza yol gösterici olacağına inandığımız ilginç bir olgu sunumunu aldık. Yılın bu son sayısı ile 2021'i kapatırken Dergimizin daha iyi noktalara gelmesi için emek veren editör kurulunda görev alan ve/veya hakem olarak katkı veren değerli hocalarımız ile yazar olarak katkı veren kıymetli meslektaşlarımıza, ayrıca dergide emeği olan herkese şükranlarımı sunuyorum.
