Journal of Metaverse publishes scientific/original research and review articles. It is published electronically twice a year, in June and December. It is an **international scientific refereed journal** that publishes articles written in **English**, and includes academicians from different countries in its boards. Uses "Double-Blind Peer Review" in reviewing processes. It has adopted the open access principle. No fee is requested from the authors for open access, processing, publication fee or otherwise. It is totally **FREE**.

The responsibility of the articles published in this journal in terms of science and language belongs to the authors. The articles published in the journal cannot be used without reference.
