Aim

Journal of Applied Tourism Research (JAToR) is an international refereed e-journal that begun to be issued in 2020 within the body of Isparta University of Applied Sciences. JAToR aims to bring up-to-date information, application results and theoretical approaches to the literature.

Scope

Within the scope of Journal of Applied Tourism Research (JAToR); original articles, field studies, case studies and original articles on theories that have not been published elsewhere can be published. The scope of the journal consists of all studies that can be associated with tourism. The journal is published two times in a year, namely in June and December.

The articles submitted for publication in the JAToR should be prepared in accordance with the rules of research and publication ethics. In terms of publication ethics JAToR pursues the principles, standards and recommendations of the publication ethics determined by COPE (Committee on Publication Ethics) and ICMJE (International Committee of Medical Journal Editors). The articles that are sent to the JAToR are going to be scanned thought the iThenticate or the Turnitin plagiarism program. JAToR is a journal that adopts open access policy. All the papers published in the Journal are licensed by Creative Commons Attribution 4.0 International license (CC BY 4.0).

The opinions in articles published in the journal are not the views of the journal. All responsibility belongs to the authors.

The journal does not pay any royalties to authors. Evaluation fee and application fee are not charged from the articles sent to the journal.
