

Respected People of Science and Dear Readers

Our international peer-reviewed Journal JIA (IJIA) has been published since 2016 twice a year with its summer and winter issues and as of July 31th, our 14th issue has been published.

Since the first issue, all articles published in our journal have been assigned DOI numbers after a thorough evaluation process. Due to our publishing principles, each article is sent to reviewers chosen from a total list of almost 500 reviewers and the names of contributing reviewers are listed in the generic page of each issue.

Our summer issue of June/July 2022 consists of six original and two review articles in the fields of art education, music, painting, photography and art history. As of leaving behind its seventh year in academic publishing, our journal has become compatible with the criteria of academic incentive and associate professorship applications and has been indexed among international peer-reviewed academic journals.

We present our happiness of publishing our 14th issue with the hope of its contributions to the realms of science and arts. I would like to thank all the people who have contributed to the publication process, especially to our assistant editors Sebahat YAVUZ, Assoc. Prof. Dr. Nilay Özsavaş ULUÇAY, Assoc. Prof. Dr. Çimen BAYBURTLU, Assoc. Prof. Dr. M. Batuhan KURT and Assoc. Prof. Dr. Tarık YAZAR, and to Lecturer Dr. Hilmi GÜNEY, Res. Asst. Dr. Ceren Tekin KARAGÖZ and Yağmur Öztoprak.
