## **EDITORIAL**

---

Our dear readers,

We are happy to publish the new issue of our journal with 25 valuable articles. Nowadays, academic studies are growing clearly and we sure that all researcher in the world will contribute to literatüre with their valuable articles. As we mentioned before, we want to contribute to international literature at an increasing level and to increase the success bar of our journal by entering valuable international indexes such as SCI-Exp and Pubmed. We would like to thank all authors for submitting articles contributing to both domestic and international literature with their comprehensive scientific content for publication in our journal.

Sincerely yours

**Alpaslan TANOGLU, MD, PhD**
