EDITORIAL

Dear distinguished academicians, researchers and colleagues,

It is very exciting to present a new issue of our e-journal, entitled EJESS [European Journal of Educational & Social Sciences], [Vol. 6 (2), May 2022], to the interdisciplinary literature.

Every issue provides new ambitions and motivation for us to reach a better journal, thanks to your fruitful and motivational support, collaboration and encouragement. EJESS now supports and open to other partnership for international organizations, workshops, study visits and seminars. Accordingly, we provide scholar support for Eurasian Conference on Language and Social Sciences (ECLSS2022) and International Online Conference on Economics & Social Sciences, and International Eurasian Conference on Educational and Social Studies (IECES), as a trigger to reach enlarged multicultural and diverse context. Papers utilizing and/or following interdisciplinary perspectives are highly welcomed and encouraged. It is of interest and open to all researchers, academics, and those people concerned with mediating research findings to practitioners.

Scholarly work requires a great deal of effort, ambition and motivation since it encompasses a broad range of various disciplines, perspectives, methodologies and criteria. Within its natural context, we, as EJESS, sometimes include papers from international conferences in different countries so that we can feel proud to provide open platform for diverse researchers all around the world.

Scholar atmosphere and all educational organizational will probably focus on new perspectives, strategies, collaborations and facilities to ensure their efficiency soon. Within this perspective and vision, this issue presents you **two research papers** from diverse methodological perspectives, cultures and contexts. We hope that the issues of our journal shall contribute to the field of interdisciplinary research literature. We would like to thank our journal editors, authors, reviewers and all the others who have contributed to the preparation process of this issue.
