

## FOREWORD

It is our pleasure to introduce the fifth issue now with Digital Object Identifier (DOI) of Eurasian Journal of Science Engineering and Technology (EJSET) established at Niğde Ömer Halisdemir University (NOHU). Our journal is now also indexed by some databases. This issue covers topics ranging from natural sciences to engineering.

In the third year of our journal, we would like to thank our valued scientists and researchers who showed interest in the subject, all the teams and reviewers as well as editorial board who supported the publication process.

We would like to remind you that our journal's next issue will be published in mid June 2023 and you are welcome to submit your original research in the meantime.

We hope to meet you in our next issues.

Assoc. Prof. Recep Zan (NOHU) – Editor

Prof. Murat Barut (NOHU) – Editor
