EDITORIAL

Our dear readers,

We are proud to publish the first issue of 2023 with valuable new articles. Now, our journal has completed 5 years since its establishment and we are taking firm steps towards the goals we have set. As we have mentioned before, we are increasingly contributing to the international literature day by day.

We are constantly working to raise our scientific bar and to increase the success of our journal by entering valuable international indexes such as SCIEmp and Pubmed. We would like to thank all the authors who contributed to the strengthening of our journal by sending articles from both domestic and abroad.

Sincerely yours

Assoc. Prof. Alpaslan TANOGLU, MD, PhD
Editor-in-Chief
