## TJAA Editorial Board

### Editor-in-Chief

Ümit Kızılođlu – Middle East Technical University

### Associate Editors

Nazım Aksaker – Çukurova University

Sinan Aliş – İstanbul University

### Technical Editor

Sinan Kaan Yerli – Middle East Technical University

## Turkish Astronomical Society (TAD) Publication Committee

*TJAA is overseen by the TAD Publication Committee*

(in alphabetical order)

Tansel Ak – İstanbul University

Aysun Akyüz – Çukurova University

Özgür Baştürk – Ankara University

Serdar Evren – Ege University

Cafer İbanođlu – Ege University

İbrahim Küçük – Erciyes University

Sinan Kaan Yerli – Middle East Technical University

TJAA is published by the Turkish Astronomical Society

Cover page is the sky map of **Anadolu** (first named as WASP-52) which contains the exo-planet **Göktürk**.

The page is designed by Süleyman Fişek, Sinan Kaan Yerli and Nazım Aksaker.

# Table of Contents

## Research Article

- 10 Updated Orbital Decay Rate of WASP-12 with New Data from TESS and Ground-based Observations  
*Kutluay, A.C. et al.*

## Research Note

- 23 Times of Minima of Selected Eclipsing Binaries  
Obtained with the IST40 Telescope  
*Eryılmaz, M.İ. et al.*
