Plagiarism and Citation Policies (Benzerlik Politikası)	1. Submission Similarity Rates: In the article submission process, articles with 20% less are published in the ITENTICATE, TURNITIN, İNTİHALNET similarity rate report, excluding the bibliography. 2. Similarity Rates After Refereeing: For publication, İTHENTICATE similarity report is also obtained over the latest version. The similarity rate of each citation should not be more than 3% for 2022 and 1% for 2023. Necessary similarity rates are sought in the pre-admission for post-refereeing. However, post-review similarity rates are based on the İThenticate report only.
