AIMS AND SCOPE

Journal of Midwifery and Health Sciences is a scientific, open access periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is the official online-only publication of Atatürk University Faculty of Health Sciences, and it is published triannually in March, June, September and December. The publication language of the journal is Turkish and English. The aim of the journal is to publish original research papers of the highest scientific and clinical value in the field of midwifery and health sciences. Journal of Midwifery and Health Sciences also publishes reviews, rare case report and letters to the editors. The target audience of the journal includes midwives, nurses, academicians, clinical researchers, medical/health professionals, students, nursing professionals and related professional and academic bodies and institutions.

Journal of Midwifery and Health Sciences is currently indexed in TUBITAK ULAKBIM TR Index, Scopus, DOAJ, EBSCO, ERIH Plus and China National Knowledge Infrastructure (CNKI).

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice). All expenses of the journal are covered by the Atatürk University Faculty of Health Sciences. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at <https://dergipark.org.tr/en/pub/esbder>. The journal guidelines, technical information, and the required forms are available on the journal's web page.
