

Journal of Education and New Approaches– JENA

E-ISSN: 2667-5560

Journal of Education and New Approaches– JENA is a peer-reviewed (Double Blind Review) and scientific international journal that started publishing in 2018. The language of publication is English or English-Turkish (together). Studies accepted to the JENA are published online. JENA aims to contribute to the education and training processes and the field of teacher training by revealing current situations, drawing attention to problems, suggesting solutions, etc. by publishing original studies in the field of Social Studies and in the fields of educational sciences, social sciences, sports sciences and fine arts that the editorial board deems appropriate. In addition to research and review articles, course activities, book reviews and biography studies are also published.
