A Foreword from the Editor

This is the first issue of the eighth volume of the Journal of Politics, Economy and Management (JOPEM). JOPEM, an academic journal focused on economics and administrative sciences, invites submissions of recent, high-quality papers for prospective publication in forthcoming issues. The journal is published biannually by the Faculty of Economics and Administrative Sciences at Hatay Mustafa Kemal University. It utilizes a double-blind peer-review process that fosters interdisciplinary research. JOPEM is featured in the databases and indices of ResearchBib, JournalTOCs, Google Scholar, Idealonline, ASOS index, and Index Copernicus. To maintain our stringent standards, we regularly pursue new prospects for indexing and abstract inclusion.

The journal concentrates on evaluating articles and collections, encompassing theoretical discussions as well as empirical and practical research pieces that have received publication approval. The journal aims to disseminate scientific knowledge by presenting a wide array of subjects and promoting contemporary empirical research. We solicit submissions in Turkish or English from the following academic fields: economics, business, political science, public administration, international relations, finance, industrial relations, information systems and management, econometrics, and other related topics.

The editor, advisory board, and secretariat staff have been altered effective January 1, 2025. I wish to express my gratitude to my colleagues for their contributions to this matter and prior ones. The Editorial Board is pleased to publish the outstanding research papers submitted by the authors in the first issue of the eighth volume of the Journal. I extend my gratitude to the reviewers, section and language editors, the secretariat responsible for the layout, the JOPEM Advisory Board, the Editorial Board, and all others who contributed to the preparation of the articles for publication.

To sustain reader engagement and foster innovative concepts, we seek to increase the volume of writers submitting manuscripts for forthcoming editions of JOPEM. Should you possess any remarks or suggestions, kindly reach out to us.
