CBU Journal of Science

Celal Bayar University Journal of Science (CBUJOS) covers scientific studies in the fields of Engineering and Science and publishes accounts of original research articles concerned with all aspects of experimental and theoretical studies. CBU Journal of Science is a refereed scientific journal published four times annually (March, June, September and December) by The Graduate School of Manisa Celal Bayar University. CBU Journal of Science considers the original research articles written in English for evaluation.

CBU Journal of Science is indexed by TUBİTAK ULAKBİM TR-DİZİN, and also is included in DOAJ, Cite Factor, Journal TOCS, Advanced Science Index and OAJI databases. Digital Object Identifier (DOI) number will be assigned for all the articles being published in CBU Journal of Science.

Instructions for Authors and Article Template can be found on the page of Celal Bayar University Journal of Science DergiPark (<https://dergipark.org.tr/tr/pub/cbayarfbe>)
