DEPARCH Journal of Design, Planning and Aesthetics Research is a free, open access, double-blind peer-reviewed international scientific e-journal and published biannually in Spring and Autumn.

DEPARCH explores the aesthetics of design, architecture and planning for all aspects of the built and natural environment. This includes architecture, interior architecture, industrial design, spatial design, virtual reality, design technology, urban planning, sustainable cities, architectural engineering and inter/multi-disciplinary research.

DEPARCH covers research, practice and education, seeking to develop theoretical and methodological innovations which explore the multivarious aspects of environmental aesthetics. Submissions can cover theoretical discussions, methodological developments, as well as empirical studies and built environment practice.

DEPARCH is of interest to disciplines as varied as architecture, environmental psychology, human history, conservation, heritage and cultural studies.

DEPARCH is officially indexed in Directory Open Access Journals (DOAJ), EBSCO, ERIH PLUS, Index Copernicus, SOBIAD, Asian Science Citation Index (ASCI), J-Gate.
