1. Authorship Responsibility, Criteria and Contributions

By checking the appropriate boxes below, each author certifies that

- the manuscript represents valid and original work;
- the manuscript or portions thereof are not under consideration by another journal or electronic publication and have not been previously published except as an abstract;
- if requested I will provide raw data on which the manuscript is based for examination by the editors and reviewers;
- if I am the corresponding author I agree to be responsible for indicating the source of extra-institutional funding, in particular that provided by commercial sources, internal review board approval of study, accuracy of the references and all statements made in the work, including changes made by the copy editor, upon review of the proof; or if I am not the corresponding author I agree to assign the aforementioned responsibilities to the corresponding author;
- I have read and approve the final manuscript; and I have made a substantive contribution to the information or material submitted for publication to take public responsibility
