

EVALUATION CRITERIA FOR BOOK REVIEWS

1. Is the book evaluated current and original?
2. Is a brief information about the author given in the introduction?
3. Is the main problem of the book sufficiently mentioned?
4. Are the themes covered in the book sufficiently mentioned?
5. Is the review done by referring to the related literature?
6. Are the criticisms clear and consistent?
7. Are there any unnecessary mentions and repetitions in the review?
8. Is the review within the word limit? (500-1500 words)
