·	•	•
1. Language and spelling rules were followed in the study.*		
O 1 Point (Strongly Disagree)		
2 Points (Disagree)		
3 Points (Neither Agree Nor Disagree)		
O 4 Points (Agree)		
○ 5 Points (Strongly Agree)		
2. Scientific citation rules were followed in the study.*		
○1 Point (Strongly Disagree)		
O 2 Points (Disagree)		
O 3 Points (Neither Agree Nor Disagree)		
O 4 Points (Agree)		
○ 5 Points (Strongly Agree)		
3. The findings overlap and are presented systematically for the purpose of the	study.*	
O 1 Point (Strongly Disagree)		
O 2 Points (Disagree)		
O 3 Points (Neither Agree Nor Disagree)		
O 4 Points (Agree)		
○ 5 Points (Strongly Agree)		
4. The formulas, symbols, abbreviations and units used in the study meet intern	ational standards.*	
O 1 Point (Strongly Disagree)		
O 2 Points (Disagree)		
3 Points (Neither Agree Nor Disagree)		
O 4 Points (Agree)		
○ 5 Points (Strongly Agree)		
5. The study is characteristic and original.*		
O1 Point (Strongly Disagree)		
O 2 Points (Disagree)		
3 Points (Neither Agree Nor Disagree)		
O 4 Points (Agree)		
○ 5 Points (Strongly Agree)		
6. The subject of the study is current.*		
O 1 Point (Strongly Disagree)		
O 2 Points (Disagree)		
3 Points (Neither Agree Nor Disagree)		
O 4 Points (Agree)	$\Lambda$ CDIII $\Lambda \Lambda \Lambda \Lambda I$	MON

ASBU LAW JOURNAL

7. The sources used in the study are sufficient in quantity and quality.*
O 1 Point (Strongly Disagree)
O 2 Points (Disagree)
3 Points (Neither Agree Nor Disagree)
O 4 Points (Agree)
○ 5 Points (Strongly Agree)
o i ome (or ongry Agree)
8. Subject integrity is included in the study. (Introduction, development, conclusion)*
O 1 Point (Strongly Disagree)
O 2 Points (Disagree)
O 3 Points (Neither Agree Nor Disagree)
O 4 Points (Agree)
○ 5 Points (Strongly Agree)
O. The study includes the production of ideas and thoughts *
9. The study includes the production of ideas and thoughts.*
O 1 Point (Strongly Disagree)
O 2 Points (Disagree)
O 3 Points (Neither Agree Nor Disagree)
O 4 Points (Agree)
○ 5 Points (Strongly Agree)
10. Publication of the study will contribute to the literature of law.*
○1 Point (Strongly Disagree)
O 2 Points (Disagree)
○3 Points (Neither Agree Nor Disagree)
O 4 Points (Agree)
○ 5 Points (Strongly Agree)
Final Evaluation Result**
O It is appropriate to publish the study in this way.
<ul><li>It is appropriate to publish the study in this way.</li><li>The study can be published after being seen by the editor, without having to see it again after the corrections I have specified.</li></ul>
