14. Articles that are not arranged according to the specified rules will be returned directly to the authors.

15. IN-TEXT REFERENCES AND REFERENCES should be arranged according to the following rules below.

In Text Citation Rules

- Footnotes should never be used in citing references.
- It is at the discretion of the author(s) to indicate page numbers when referring to indirect quotations in the text. In direct quotations, it is necessary to specify the page number and to use quotation marks..
- In Page Number Display : should be used. (Şahin, 2020: 150)
- When referring to the studies of the same author in the same year (eg; Şahin, 2001a, Şahin, 2001b), a path is followed.
- • When referring to more than one source, the ranking should be made according to the year of publication (Sancak, 1991: 22; Hancı, 1998: 145; Engin, 2015: 254)
- First author's surname and et. al. Abbreviation should be used in publications with multiple authors (Kaplan et al., 1999),
- • If the publication date cannot be found, the latest copyright date is given. If the date information cannot be found at all, "n.d." meaning "no date" The abbreviation is used.
- When referring to web sources (balikesir.edu.tr, 01.05.2014), as in the example, <http://www>. Part of the link should not be used and access date Day, Month, Year should be specified.

General Rules in References

- References should be listed in alphabetical order, and notations such as 2000a, 2000b should be given in alphabetical order for two or more references of the same author in the same year.
- • If the number of authors is more than six, the names of the first six authors are given in the bibliography, and the expression "et al." is used after the sixth author.
- While giving the tags of the books, the 1st edition does not need to be specified. For the second and subsequent editions "2. Ed. " in the form of abbreviation is used.
- Journal and book titles are written in italics without abbreviation.
- In electronic resources, access date and access address information is also given as well as basic information.
- **Personal interviews such as letters, e-mails, phone calls do not need to be included in the bibliography, interviews are referred to in text.**
- In articles written in Turkish, the word "and / ve " should be used in both in-text citations and bibliography. In articles written in other languages, "&" should be used..
