

# BALIKESİR ÜNİVERSİTESİ SOSYAL BİLİMLER ENSTİTÜSÜ DERGİSİ

BALIKESİR UNIVERSITY  
THE JOURNAL OF SOCIAL SCIENCES INSTITUTE

## PUBLICATION POLICY

1. Balıkesir University Journal of Social Sciences is a **peer-reviewed**, journal published by Balıkesir University Social Sciences Institute **biannually (in June and December)**. The journal covers **Geography, Educational Sciences** (Educational Programmes and Teaching, Educational Administration and Inspection, Preschool Education, Social Studies Education, Turkish Education, Fine Arts Education), **Gastronomy and Culinary Arts, Visual Arts, Economics, Business, Political Science and Public Administration, Sociology, History, Tourism and Hotel Management, Tourism Guidance, Turkish Language and Literature, and Foreign Languages** disciplines. In this context, original and qualified articles, book introductions and reviews, case studies on covered subjects can be published in the journal.

2. *The main goal of our journal is to take place among the leading journals preferred in the field of social sciences, evaluating qualified and original studies in accordance with scientific norms and science ethics by carefully, and publishing them regularly.*

3. The publisher, editor and editorial board of the journal **are not obliged to accept the responsibility** of the ethical violations that may arise due to the views and opinions expressed by the authors, **and the responsibility of the manuscripts in the journal belongs to the author(s)**. The journal accepts and follows ethical principles, the issues determined / recommended by the **Committee on Publication Ethics (COPE)** for editor, reviewer and author responsibilities.

4. Manuscripts submitted to the journal for publication are first evaluated in **terms of form / writing conditions and similarity (by using plagiarism software)**. Manuscripts that do not meet the pre-evaluation conditions in terms of writing rules are returned without sending to the reviewers. Manuscripts that comply with the conditions are sent to **at least two reviewers to be reviewed** in terms of content. **The authors are not informed about the identities of the reviewers who evaluate the manuscript, and the reviewers are not given information about the author of the manuscript.** Reviewer reports are confidential. Manuscripts that do not receive a positive report from the reviewer are not published and returned to their authors; administrative and judicial responsibility is not accepted in this regard. Manuscripts requested by the reviewers for correction are sent back to the author (s) for necessary changes. It is the responsibility of the author (s) to deliver the corrected text to the journal within the specified period. **In case the study is decided to be published**, the authors must send the Copyright Transfer Form, which they signed and uploaded to the system before, to the Journal of Social Sciences of Balıkesir University by mail / courier.

5. The manuscripts to be published in the journal **must not have been published in another journal, sent for publication or accepted for publication**. If articles presented in any scientific conference and not published, the name, place and date of the meeting should be stated in the notes to the editor. Manuscripts **must not show similarity** even if they have been presented before, published as a paper or derived from the thesis.

6. The author (s) states that the manuscript sent to our journal is an **original work of their own** and that they did not **make plagiarism**, that the authors mentioned in the study participated in this study individually and took all the **responsibility** for this study, that all authors saw and approved the final version of the article submitted elsewhere. They accept and undertake that they are not printed or sent for printing, that the text, figures and documents in the article **do not violate the copyrights of other parties**.

7. The manuscript should be submitted to the editors in electronically on Dergipark. Authors should be registered logged in to Dergipark to submit their manuscripts. The manuscripts uploaded to the

Dergipark should not contain any information about authors. Manuscripts submitted for publication should not exceed 25 pages, including appendices and bibliography. While the manuscripts are uploaded to the system, the title, keywords and abstract must be entered in the journal-park metadata as a second language other than the language in which the article is written

**8. According to the** Ulakbim TRDizin Criteria, the ethics committee approval is required for the manuscripts to be uploaded to our journal. Detailed information can be found journal's website.

**9. The journal does not charge any publication fee.**

**10.** Manuscripts can only be withdrawn at the pre-evaluation stage by authors.

**11.** Manuscripts cannot be accepted for a specific issue or date. If the processes of the manuscripts are completed positively, they will be queued for the first issue to be published after the date they are accepted for publication.

**12.** The evaluation process of the studies takes between 3-12 months

**13.** All processes of our journal are carried out through Dergipark. For detailed information, please visit <https://dergipark.org.tr/tr/pub/baunsobed>
