.....

The undersigned authors hereby agree that the Turkish Journal of Health Science and Life and Mürin POLAT (Publisher) have no responsibility over the content of the manuscript titled above.

The undersigned authors warrant that:

Originality of the Submission

- The submitted manuscript (including the text, tables, figures, graphs, images, and any other related content) is original and has not been submitted to another journal for publication, nor has it been published before in whole or in part.
- If the manuscript has been published in whole or in part, all permissions were granted for publication in the Turkish Journal of Health Science and Life, and the original copyright form and other required documents will be forwarded to publisher and all relevant persons and institutions.

Using Third-Party Materials

The authors guarantee that the article does not infringe any personal or property rights of others and accepts responsibility for the content of this manuscript and all other legal responsibilities related to the manuscript.

Copyright, License, and Rights

- By signing this form, authors agree that the article, if accepted for publication by the Turkish Journal of Health Science and Life, will be licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License, which allows third parties to copy and redistribute the material in any format and adapt the material for any purpose by giving appropriate credit to the original work. For further details of the CC BY-NC 4.0 license, please see <https://creativecommons.org/licenses/by-nc/4.0/>
- The authors retain all patent and other proprietary rights to the article, including copyright.

Validity of the Agreement

If the article is not accepted for publication by the Turkish Journal of Health Science and Life, the agreement will expire, and both the journal and the Publisher will not have any rights over the content.

Authorship

Being an author of a scientific article primarily indicates a person who has made a significant contribution to the article and shares the responsibility and accountability for that article. Turkish Journal of Health Science and Life adheres to

the ICMJE recommendations on authorship that contains the following 4 criteria:

1. Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
2. Drafting the work or reviewing it critically for important intellectual content; AND
3. Final approval of the version to be published; AND
4. Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Contributors who do not satisfy all four of the aforementioned criteria should be listed in the acknowledgements section rather than as authors.

The undersigned authors certify that they qualify for authorship according to the above-mentioned terms and conditions.
