Description of Journal (Dergi Kısa Bilgisi)

Our journal began to be published in 2019 and it has been included in the DergiPark System as an International, 3 Double Blind Peer Reviewing Journal.2020.

JENAS published by Black Sea Nature and Environment Association (KADOÇED) has focused on Natural Sciences, Environmental Sciences, Environmental Problems and Urban Sciences such as Geography, Biology, Landscape, Urban Planning, Public Administration, Environmental Problems and Environment Engineering etc.

Our journal is internationally 3 Double Blind Peer Reviewing (3 Reviewing Per Article) and the primary language of articles is English. Author guidelines and article templates can be found on the website of the journal.

Publishing Period: April, August, December

International Journal of Environmental and Natural Studies (JENAS) will start its publication life in December 2019 as a new journal where environmental problems and solution proposals will be discussed through related disciplines.
