CALL FOR PAPERS

Special Issue of the 6th Economic Research and Financial Markets Congress (IERFM)

The Economic Research and Financial Markets Congress with International Participation (IERFM) is one of the largest organisations in the area of finance in Turkey. The 6th [IERFM](#), sponsored by Central Bank of The Republic of Turkey, will be hosted by Nisantaşı University, Konya Food and Agriculture University and Trakya University. The congress will be held online between 12-14 May 2022. Academicians working in the field of economy and finance, market professionals and financial media will come together at the congress. The congress aims to share and discuss the latest developments in the field of economy and finance, to increase the interaction between scientists, to be a source of motivation for young academics and to contribute to the existing literature.

Submission Procedure

Authors should follow regular submission procedures described in the author guidelines pages. Interested authors are encouraged to contact the special issue editors before making a formal submission to the journal's submission portal to discuss the suitability of their papers for the special issue and their submission timeline.

When submitting, select the following in the article type selection drop-down menu to correctly direct submitted papers to the special issue editors.

VSI: *Special Issue of the 6th IERFM*

The special issue submission channel is open now and will close on August 15, 2022.

Papers sent until 15.08.2022 will go through the standard referee evaluation process of the journal and will be published in the special issue on 24.10.2022 if they are accepted at the end of the referee evaluation process.

All the principles, rules and processes applied by the journal, such as the journal's review process and acceptance conditions, publication policy, publication ethics standards, writing rules, are also valid for the papers to be submitted to the special issue. Please review the [web page](#) of the journal carefully for detailed information.
