

University of Health Sciences Journal of Nursing

Copyright Agreement Form

Title of the Manuscript:

I submit the manuscript titled above to University of Health Sciences Journal of Nursing for publication as a corresponding author and I agree the following conditions on behalf of all authors.

Copyright

- All responsibilities of the article (scientific, ethical, legal responsibility etc.) belong to the authors.
- The submitted manuscript, including ‘text, tables, figures, graphs and any other related content’, is original and has not been previously published in whole or in part and has not been sent to another journal for publication.
- The text, figures and documents in the article do not violate the copyrights of other parties.
- The authors undertake all responsibility for claims or lawsuits to be filed by third parties due to copyright infringement.
- The authors undertake that there are no criminal or illegal statements in the article, that no illegal materials and methods were used during the research, that all legal permissions related to the study were obtained and that ethical rules were followed.
- By signing this form, authors retain the copyright of their work and grant the publisher the non-exclusive right to publish the work. The authors agree that the article, if accepted for publication by the University of Health Sciences Journal of Nursing will be licensed under a Creative Commons Attribution-NonCommercial 4.0 (CC BY-NC 4.0) International License which allows third parties to share and adapt the material for only non-commercial purposes by giving the appropriate credit to the original work. For detailed information, please click on the link <https://creativecommons.org/licenses/by-nc/4.0/>.

Authorship

- All authors meet the authorship requirements recommended by the International Committee of Medical Journal Editors (ICMJE). These recommendations are;
 1. Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work;
 2. Drafting the work or revising it critically for important intellectual content;
 3. Final approval of the version to be published;
 4. Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.
- The article has been prepared as appropriate to the writing and publishing rules stated by Journal.
- Ethics committee approval has been uploaded to the system.
- After the article is submitted to the journal for evaluation, the author names and order indicated on the title page cannot be changed.

This form should be signed by the corresponding author on behalf of all authors.
