ETHIC COMMITTEE APPROVAL

This form should be signed by all the authors and submitted during the initial submission.

The authors in different institutions, however, may prepare separate forms, sign, and submit to the Journal.

The undersigned authors hereby agree that the International Journal of Agriculture, Environment and Food Sciences has no responsibility over the content of the manuscript.

Studies requiring ethics committee permission are listed below. When uploading your manuscript to the International Journal of Agriculture, Environment and Food Sciences (JAEFS), you must upload the Ethics Committee Permission document along with your paper file. If your study is not included in the study group requiring ethics committee approval, you must sign the declaration form indicating this situation and state the situation in the text of the paper.

Studies Requiring Ethics Committee Permission

- All kinds of research conducted with qualitative or quantitative approaches that require data collection from participants using questionnaires, interviews, focus group work, observation, experimentation, interview techniques.
- Use of humans and animals (including material / data) for experimental or other scientific purposes,
- Clinical studies on humans,
- Research on animals,
- Retrospective studies in accordance with the law on protection of personal data

Also;

- Stating that "informed consent form" was obtained in case presentations,
- Obtaining and specifying permission from the owners for the use of scales, surveys and photographs belonging to others,
- Stating that the copyright regulations are complied with for the intellectual and artistic works used

Authors must ensure that their article meets the requirements mentioned in the ethical standards of JAEFS that can be viewed at <https://dergipark.org.tr/en/pub/jaefs/policy>.

I/We, as the author(s) of this manuscript, have declared that this article does not require an ethics committee approval and/or legal/special permission.
