

1. ARTICLE SUBMIT CONTROL

- Application for article publication is made by uploading it to the dergipark.gov.tr journal system.
- Was the article scanned for plagiarism using the “Turnitin” or “iThenticate” program, and was a similarity report prepared?
- Is the similarity less than 18%?
- Has the statistical study of the article been conducted? (For research articles).
- In studies with human elements, has compliance with the principles of the Declaration of Helsinki, ethical committee approval from the institution and “information (consent)” from the patients been obtained and uploaded to the system? Have these been stated on the title page?
- If an animal element is used, is it stated in the “Materials and Methods” section that it complies with the “Guide for the Care and Use of Laboratory Animals” principles?
- Has the article been checked for language?
- Has the article been written according to the journal writing rules?
- Has the information specified for the title page been added?

2. What needs to be uploaded to the system in the FIRST SUBMIT of the article

- i) The full text of the article should be prepared according to the “Article Preparation TEMPLATE” and prepared as “doc” (without author information) and uploaded to the system as doc under the name Article Text (There should be no information in the full text that reminds the author(s)).
- ii) The article title page should be prepared using the “Title Page TEMPLATE” and uploaded as a pdf under Article Title Page.
- iii) Letter: The letter requesting publication of the article should be prepared according to the “Letter TEMPLATE” and uploaded to the system as a pdf under the name Letter.
- iv) Copyright Transfer Form: After all responsible authors sign the Copyright Transfer Form, should be uploaded to the system as a pdf.
- v) Similarity Report: Similarity Report should be uploaded to the system as a pdf under this name.
- vi) Ethics committee report: Research requiring an ethics committee report should be uploaded to the system as a pdf under the name Ethics Report.

Your article will be rejected if these files are not uploaded to the system.

3. Things to be uploaded to the system during the SUBMIT of the Revised Article

- i) **Revised article:** The article revised by the author, with the number indicating the number of revisions and the corrections not marked, should be uploaded to the system as a document under Revised Article-1.
- ii) **Revised-article marked:** The article revised by the author, with the number indicating the number of revisions, and the CORRECTIONS MARKED (in blue), should be uploaded to the system as a pdf under the name of Revised Article Marked-1.
- iii) **Corrections letter:** A letter indicating the corrections should be uploaded to the system as a pdf under the name of Correction Letter-1.

If these files are not uploaded to the system, your article will be sent back or rejected.
