The author(s) confirm(s) the following statements:

- The article, partially or fully, is not published or not submitted for publication elsewhere
- Each of the authors has read and approved the article and has noticed that the article has been submitted to another Journal
- This article is an original scientific work written by the author(s)
- The responsibility for the collected data in the article belongs to the author(s)
- In the article, copyright regulations have been complied with for intellectual and artistic works (figures, photographs, graphics, etc.

The Author authorizes BÜST International Art, Design and Architecture Journal Publishing Board to publish their article, via this document.

Authors accept license terms by submitting this Copyright Transfer Form with their article applications. Thereby, all authors acknowledge that the copyright terms are specified by Attribution-NonCommercial-NoDerivatives 4.0 International (CC BY-NC-ND 4.0) license conditions in line with Open Access Policy guidelines in Budapest Open Access Initiative recommendations when their articles are published. Authors have the right to be properly acknowledged and cited, and they will have control over the integrity of their work.

All parties, including authors, are authorized to copy, share, and redistribute all the articles and their content material that is published in this journal in any medium, following the license terms about attribution, non-commercial use, and no-derivatives policy.

Apart from the above-mentioned conditions, reproducing, posting, and distributing of the article in any other way should be done only by an authority of BÜST International Art, Design and Architecture Journal or under permission.

This document must be signed by all the authors. The document(s) with wet signature should be scanned in jpeg or pdf formats and should be sent to the e-mail address of the journal (bustdergi@gmail.com) with the article. If the article is not accepted and published by the Publishing Board, this agreement becomes invalid.
