

Journal of Transportation Management Research (JOTMAR)

Special Issue Announcement

Special Issue: Aviation Technologies and Applications Conference 2025 (ATAConf'25)

Dear Researchers,

The Journal of Transportation Management Research (JOTMAR) is pleased to announce a special issue dedicated to **selected accepted papers** presented at the Aviation Technologies and Applications Conference 2025 (ATAConf'25).

Authors of selected conference papers are invited to submit **extended versions** of their studies in full-paper format for publication in this special issue after the standard peer-review process.

Scope

This special issue welcomes high-quality research articles related to the main themes of ATAConf'25, including but not limited to:

- Technology and Digital Transformation in Aviation
- Maintenance, Repair and Overhaul (MRO) Applications
- Innovative Approaches in Aeronautical Engineering
- Aviation Infrastructure and Sustainability
- Space and Defense Industry Studies
- Human and Social Studies in Aviation
- Aviation Systems and Integration Studies

Full list of conference topics is available at:

☞ <https://ataconf.ege.edu.tr/tr-21838/konular.html>

Important Dates

- **Submission deadline:** November 14, 2025
- **Publication date (expected):** December 2025

Submission Process

- Accepted papers presented at ATAConf'25 should be significantly extended and prepared in accordance with the JOTMAR article template.
- Manuscripts must be submitted **only via DergiPark:**
☞ <https://dergipark.org.tr/tr/pub/jotmar>
- All submissions will undergo the **double-blind peer review** process in line with JOTMAR's publication standards.

- During submission, please select “*I would like to submit my paper to the ATAConf’25 Special Issue.*”
- In the “Topics” field, please choose “Other.”

Editors

- **Special Issue Editor:** Asst. Prof. Armağan MACİT
