The author(s) hereby declare that they confirm the following statements:

1. No part or whole of this work has been previously published elsewhere, submitted for publication to another venue, or contracted for publication with another institution.
2. The author(s) have read and approved the final version of the work and are aware that it has been submitted to the journal for publication.
3. The work has been written by the author(s) whose signatures appear on this document, is original, and does not contain plagiarism.
4. The author(s) are responsible for the accuracy of the information contained in the work, compliance with ethical standards, and the scientific content.
5. The author(s) have obtained the necessary copyright permissions for any texts, images, tables, and other materials used in the work. In the event of non-compliance, all legal and financial liabilities shall rest with the author(s).

LICENSE AND PUBLICATION RIGHTS STATEMENT

1. The author(s) retain the copyright of the work. However, they agree that the work will be published under the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International (CC BY-NC-ND 4.0) license.
2. This license permits third parties to share the work for non-commercial purposes, without modification, and with appropriate attribution to the original author(s)/source.
3. The author(s) grant TRT Academy Journal a non-exclusive right of first publication to publish the work, communicate it to the public in print and electronic formats (web, CD, social media, databases, etc.), and archive it.
4. The author(s) authorize TRT Academy Journal to translate and publish the work in different languages. (Note: This authorization is granted exclusively to the Journal management; third parties may not translate and publish the work under the CC BY-NC-ND license).

AUTHOR(S)' RETAINED RIGHTS

1. Patent rights and other registered intellectual property rights belong to the author(s).

2. The author(s) may freely use all or part of the work in their books, courses, oral presentations, conferences, and non-commercial activities (personal website, institutional repository, etc.).

3. Since this work is licensed under CC BY-NC-ND 4.0, third parties do not need additional permission from the Journal management to reproduce and distribute the work digitally; compliance with the license terms (attribution, non-commercial use, no derivatives) is sufficient.

CONFIRMATION

This document must be signed by the corresponding author on behalf of all authors, or by each author individually.
